## FLIGHTS

### Cognac VSOP \$20 An introduction to Cognac

#### **Merlet Brother's Blend**

Blends of eau de vie aged from 4 to 12 years, this Cognac is smooth on the palate with aromas of dried stone fruit, reduced maple and orange blossom honey.

#### **Kelt Captain's Barrel**

Limousin barrels are selected that they will give the best results from the 6-12 year range and designated as "Captain's Barrels". After which they go on a 3 month Ocean Maturation exclusive to KELT which brings out hidden qualities in the Limousin oak.

#### **Hennessy Priveledge**

The world's first, V.S.O.P Cognac blends over 60 eaux-de-vie to achieve perfect harmony. This is a testament to the enduring expertise of the Hennessy Master Blenders. A natural balance of strength and smoothness with a long-lasting finish

### Decadence Delivered \$50 Cognac Connoisseur

#### **Delamain XO Pale Dry**

Since it's creation in 1762, Delamain has continued to be among the top ranking Cognac's in the world. Choosing not to make a VS or even a VSOP level their Cognac starts at this lovely 25yr old XO. Delamain also bottles at 40% ABV using "faibles (old, low strength Cognacs) rather than water

#### **Pierre Ferrand Double Cask Banyuls Finish**

Brilliant, golden yellow. Vanilla bouquet, with overtones of dried roses, apricot jam combined with walnuts, cinnamon, and liquorice. Full bodied and rich on the palate, with an excellent balance. This Double Cask release is aged in small French oak for 7 to 10 years, then blended with 20 year old Cognac. Then it is held for an additional year in barrels that previously held Banyuls.

#### **Hardy Legend 1863**

Legend 1863 is a tribute to the Hardy Family and the Cognac region. Wines are a combination of Borderies and Petite Champagne. With notes of vanilla and toffee moving into desiccated plums covered in milk chocolate, this is the perfect slow sipper after an elegant meal.

## American Single Malt \$45

### Understanding the Category

#### St George “The Baller” (Alameda, CA)

Master distiller Lance Winters describes Baller as “a California take on the Japanese spin on Scotch whisky. We start with 100% American barley. After distillation in their eau de vie pot stills, the whiskey is aged 3–4 years in used bourbon casks and French oak wine casks, as well as filtered through maple charcoal. The whiskey is finished in casks that had held umeshu (a Japanese style of plum liqueur we made entirely from California-grown ume fruit).

#### Few

Made from 100% malted barley, a quarter of which is smoked with cherry wood, this single malt is aged in barrels that previously held Few’s own Bourbon and rye.

#### Westland Sherry Finish

This producer is one of the most passionate distillers that I have ever met. With a grain bill consisting of Washington Select Pale Malt, Munich Malt, Extra Special Malt, Pale Chocolate Malt and Brown Malt this whiskey is then fished in a combination of Ex-Oloroso Hogsheads and Butts, Ex Pedro Ximénez Hogsheads and Butts, Cooper’s Select New American Oak and Cooper’s Reserve.

## Single Malt Scotch \$70

### Very limited production bottlings

#### Benromach Château Cissac 2009

This is initially matured in first-fill bourbon casks, then moved over to Château Cissac casks in Haut-Médoc for 25 months before being bottled at 45% ABV

#### Gordon & McPhail Tormore 2002

##### Guigal Côte Rotie

indie bottling from Gordon & MacPhail, released for their Private Collection series - it’s a 14 year old Tormore single malt finished in a Côte-Rôtie wine cask! This was distilled in July 2002 and bottled in March 2017 - 4,000 bottles were produced.

#### Alexander Murray Ardmore 13 yr

Founded in 1898 the Ardmore Distillery is situated at the edge of the Grampian Mountains. Ardmore Distillery is unique as it is one of the only Speyside Single Malts that is still peated. Alexander Murray & Co brings you this Rare Bottling of 13 year old Ardmore that has been matured in ex-bourbon casks.

## ITS A FAMILY AFFAIR

Jimmy Russell is the world's longest-tenured active master distiller. For over 20 years he's preserved a tradition that dates back generations. The ultimate craftsman and true ambassador for America's native spirit, he's even known as the Buddha of Bourbon by some. His legendary status is no surprise, considering that he's never wavered on quality. And while he claims he's just "Plain old Jimmy from Kentucky," within the community of bourbon makers, he's often called "The Master Distiller's Master Distiller." The tradition continues with his son Eddie Russell. He started as a relief operator and worked his way up. He was inducted into the Bourbon Hall of Fame in 2010. In 2011, he created a new expression of Wild Turkey 81 proof to be a perfect mixing bourbon. Most recently, he was promoted to master distiller alongside his day, making Jimmy and Eddie the only active father and son duo of bourbon master distillers in the world.

### Russell's Reserve 10 yr Bourbon

A blend of barrels that were matured for at least 10 years and bottled at 90 proof; this is classic expression of what the Russell team can do. Notes of baking spices, dark chocolate, dried orange and the inside of a tannery fill the mind. The palate is coco powder and waffles. Breakfast bourbon is what we call it.

### Wild Turkey "Long Branch" Bourbon

Matthew McConaughey and Master Distiller Eddie Russel are proud to present this rare, small-batch bourbon. Eight year-old Wild Turkey Bourbon is fired with Texas Mesquite and oak charcoals for deeper flavour and complexity. The aroma is a balanced blend of vanilla and spices. Flavours of caramel, pear, and hints of citrus round out the palate, while subtle, smoky finish is buttery smooth-with notes of gentle pepper and toasted oak

### Wild Turkey "Forgiven"

Created by accident when a distillery crew-member mistakenly mingled together a perfectly-matured, 6 year-old Wild Turkey Bourbon with a high proof, 4 year-old Wild Turkey Rye. After the mistake was discovered Eddie tasted the blend and quickly concluded that the exceptional whiskey should be brought to market, giving birth the Wild Turkey Forgiven. Notes of cloves, cinnamon and rye bread dominate the palate with aromas of creamy vanilla and toffee. The finish is black pepper and whipped cream.

## HINE

On the banks of Charente River in Jarnac, resides one of the oldest Cognac houses in France. Founded in 1763 and held for six generations this house holds the distinction of being the only official supplier of Cognac to the British Crown.

From smuggler to nobleman Thomas Hine grew his wife's family business to new heights developing variations and age statements that set the company apart from all in the region.

One of the trademarks of production is to store their vintage casks in cellars in Bristol, England. The difference in humidity creates a unique aging effect on the Cognac. Compared to some of the larger houses the production at Hine is relatively small. Thus giving them an opportunity to focus on quality production across all price points.

### Hine Rare VSOP

Delicate, elegant and fresh. This golden liquid is a combination of over 25 different Grande Champagne Cognacs. Carmalized orange peel, Tahitian vanilla, dried peach and the softest touch of oak lingering on every sip.

### Domaines Hine Bonneuil 2006 Grand Champagne

Only 19 barrels were selected from this vintage to produce this exception expression.

Honey, heather and apricot jam fill the glass and persist on your palate.

Dangerously, leaving you wanting more.

### Domaines Hine Bonneuil 2005 Grand Champagne

Dates, figs, maple and dried herbs float in the air when poured.

Rich and round without being overly sweet. The perfect after dinner companion.
